

By Car

If you wish to visit the clubhouse for refreshments turn right at the end of the Bridleway, up the hill and then right again and up the drive to the car park. Afterwards retrace the tarmac road until you reach the B382 Old Woking Road, cross the road and turn left heading down the hill towards Old Woking.

Return to the village via Old Woking Road and the High Street and the Old Woking Cross. Alternatively you can shorten the walk back to the car park by turning into the new housing development at Palace Way. Continue on Palace Way until you reach a gated entrance into the playing fields, cross the playing fields heading for the tall solar/wind turbine light columns on the far side of the playing fields that are located within the car park

Please follow the Countryside Code at all times on this walk.

- Wear appropriate clothing
- Leave gates as you find them
- Protect plants and animals
- Keep dogs under close control
- Consider other people

For those travelling by car, park in the free long-stay car park (Beyond the smaller short stay one) off the mini-roundabout at the junction of the B382 (High Street) and the A247 (Broadmead Road), TQ018 569. Alternative car parking can sometimes be found in the small car park in Church Street although this is usually full with residents parking.

Public Transport

For those travelling by bus please check the timetables before travelling. Currently (Early 2014) the Arriva Buses 462 and 463 service between Guildford and Woking via Send stops in the High Street near Manor Way. It is roughly an hourly service. There is also a very limited service run by Abellio Surrey, No. 40, from Ripley to Woking that stops along Old Woking Road by Palace Way and Carters Lane. No buses currently operate on either route on Sundays or Bank Holidays.

Amenities

Unfortunately there are no public toilets available on the route. There is a sandwich shop, restaurant and takeaway near to the start of the walk. The clubhouse at the Hoebridge Golf Club is also open to the public for drinks and food.
